It gives me immense pleasure that a Website of Homoeopathic System of Medicine, Government of Haryana is being inaugurated.

This website is a good platform for the users of Homoeopathy in the modern era. It will be helpful for the doctors, patients and the society as well to know the Homoeopathy programme as it contains the names and addresses of doctors, fee transactions and other facilities.

Haryana Govt. has taken several new initiatives to improve the infrastructure of Health and AYUSH Department.

I extend my heartiest congratulations and best wishes for the initiation of the website.

Additional Chief Secretary to
